Subject Amendment of the Municipal Provident Fund Scheme Rules - making the Municipal Provident Fund Scheme optional in respect of - sweepers and scavengers etc

---

I write to state that Rule No 3 of the Rules regulating the Provident Fund Scheme for the sweepers and other non-pensionable employees of the Mysore City Municipality reads as under

"Every person employed by the Municipality as a whole-time sweeper scavenger or such other whole-time servant who being not eligible under the existing Rules to pension may be declared to be eligible to the benefits of these rules shall ~~be~~ as a condition of his service become a member of the fund and shall continue to be so till the date of termination of the service "

Rule No 4 of the same rules lays down that

"no member shall be allowed to withdraw any portion of the fund at his credit while he is in service "

All the sweepers scavengers and other non-pensionable employees of the Municipality have been contributing towards the Provident Fund Scheme at the rate of one anna per rupee of their ~~salary~~ pay and the Municipality contributes a sum equal to one half of the contribution as laid down in Rule 5

For sometime past the sweepers and scavengers have been consistently pressing for stopping the

the deduction of their contribution from their pay and for refunding the amount that they have already contributed As the Rules stand the deduction ~~may~~ cannot not be stopped and the amount cannot be repaid to them either More than 10 to 15 times, the sweepers and scavengers have come to me generally in a body, to represent that this deduction is acting as an avoidable hardship on them and that there was no justification for having such a scheme in Mysore City, when even the Bangalore City Corporation has not introduced a Provident Fund Scheme for its workers Throughout I have tried to impress on them that the Provident Fund Scheme is really one which is calculated to benefit the workers rather than the Municipality I have further told them that by having ~~such~~ a scheme of this type the Municipality has been paying as its quota a sum of about Rs 6,000/- a year and that therefore by abolishing the scheme it is the worker who stands to lose and not the Municipality In addition I issued instructions to the Health staff to impress these points on the men during the roll call and whenever they had an opportunity to discuss these matters with them Inspite of these efforts made by me and the staff, the majority of the men having changed their mind and ~~so many~~ 700 among the sweepers and scavengers have submitted individual applications requesting that they may be permitted to opt-out of the scheme and be paid the contribution they have already made

I hesitated for a very long time to put up any proposal for abolishing or for amending the rules, as Mysore is one of the few, or perhaps the only Municipality in the State which has been working a

scheme of this type and it would be really a retrograde step if at this stage this scheme is scrapped Inspite of it, I found that it was impossible to convince the sweepers and scavengers about the benefits accruing by the scheme On this issue, the men wanted to create some trouble during the last Dasara but this was fortunately averted Therefore I came to the conclusion that it will not be possible to satisfy these men except by allowing them to opt-out of the scheme if they so desire It is also true that some of our staff who are governed by these rules are anxious to continue Therefore without sacrificing the principle, the only practicable course would be to make the membership optional and not compulsory as it is at present so that both the sections may be satisfied

This may be agreed to

In these circumstances a detailed note on the above lines was circulated among the members of the Managing Committee They recommended that the Municipality Provident Fund Scheme may be made optional and the same given effect to after receipt of orders from Government approving the change This has been duly approved by the Council at their meeting held on 10-12-1953 I enclose a copy of the resolution of the Council in this behalf and request that orders of Government may kindly be obtained to make the Municipal Provident Fund Scheme optional and also to refund to the subscribers only the amount that has been recovered from them so far and to re-credit the

the Municipal contribution towards the General Fund Draft amendment to the rules is also appended for approval and incorporation in the rules As it is likely that the sweepers will seriously urge this question again at the end of this month when their pay rolls have got to be prepared I request the favour of very early orders of Government
